I-MED RADIOLOGY NETWORK

Owned by Permira Funds, I-Med is Australia's largest medical Imaging and Radiology Clinic network. I-Med is also known as one of the world's leading medical imaging brands, with a team that consists of the most respected and trusted medical imaging specialists in the world.

In this project, Expressway Signs has collaborated with I-Med to complete their Building, Wayfinding, Statutory and Branding solutions for multiple locations in Far North Queensland.

Key services delivered to I-Med by our team include:

- LED Fabricated Letters
- Lightboxes
- Wayfinding
- Vinyl Graphics
- Signwriting
- Architectural Signage
- Statutory Signage
- Braille and Tactile Signage
- Traffic Signs

Key services delivered to I-Med include:

- Site surveys to capture accurate technical information
- Structural integrity and measurements for signage application
- Conceptual drawings to depict the future state of the centres
- Signage drawings and hierarchy
- Product and material specification
- Engineering and construction drawings to ensure buildability
- Local manufacturing and installation
- Project management teams to manage and deliver each individual program
- Maintenance and refurbishment of pre-existing branding and signage

I-Med Projects Locations Included:

- 121 Sheridan Street, Cairns
- 119 Sheridan Street, Cairns
- Mount Sheridan Plaza, Mount Sheridan

“We have been working with the team at Expressway Signs for over ten years for all our signage needs. Their skills and expertise in working with us to produce works of art that are specific to our requests is highly commendable. They are a hardworking group of people dedicated to making their clients very happy and for that, we are most grateful.”
